

- Florist Bow**
MATERIALS (for one)
- 3 yds. ribbon

DIRECTIONS

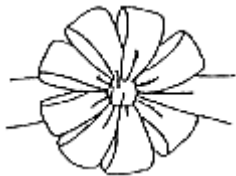

1. 8" from one end of ribbon, pinch firmly between thumb and index finger.

2. Make a 5" loop (half the size of finished bow) pinch tightly. If ribbon is one-sided, twist length to right side. Make second loop and pinch over first two pinches.

3. Repeat this process forming 4 loops on each side.

4. Make a center knot by forming a small loop over your thumb, pinch and wire all loops together, trim excess. Wire 14" length to back for tails.
